*almost 80 employees, 2 production plants,
over 20 years of experience*

Our experience

We have been operating on the market since 1999 in the textile industry.

In the first years, we focused on heavy sewing of furniture upholstery, including leather upholstery.

In the years 2007 - 2017, we produced prams (child strollers) for Teutonia company.

Since 2015, we have been one of the two main suppliers of Teutonia stroller covers.

Since 2017, we have been cooperating with 2 Polish strollers producers and 2 large Polish furniture manufacturing companies.

Since 2018, we have been developing the production department of specialized bags and backpacks, including bags for tools and kitchen knives.

We also have experience in sewing car seats for the disabled, large-area products, mats and mattresses.
